

GLOBAL CITIZENSHIP CERTIFICATE

COMMUNITY PARTNERSHIP INFORMATION

Join the World Affairs Council in transforming Kentucky students into global leaders

Global Citizenship Certificate Program (GCCP)

PROGRAM OVERVIEW

- High school certificate for all students (honors, ESL, public, private, etc.) with an interest in world affairs
- Students track and reflect upon internships/volunteering, lectures, competitions, experiences, and events in Kentucky and Southern Indiana over 2-4 years
- Students develop global competency, allowing them to acquire in-depth world knowledge and experiences.

BENEFITS OF INVOLVEMENT

- **Contribute** to future social and economic development in Kentucky and Southern Indiana
- Gain a reputation for **supporting education** in the local community
- Get engaged and dedicated **interns and volunteers** with a global focus and multilingual proficiency
- Gain wider **exposure** for your current programming
- **Expand** your programs to include GCCP features like lectures and interaction with international visitors

HOW TO GET INVOLVED

As part of their GCCP requirements, students need access to community resources that your organization may have:

- Unpaid Internships
- Volunteering
- International Exchange
- Language Programs
- Lectures
- Student competitions
- Space for Events
- Other ideas welcome!

"In today's highly competitive global knowledge economy, all students need new skills for college, careers, and citizenship. . . Schools haven't changed; the world has."

—Tony Wagner, The Global Achievement Gap
